

The citizens of New York city have every facility afforded them for reading. There are now no less than eleven first-class libraries containing not less than 600,000 volumes of the very choicest literature. The Astor Library, founded in 1848, has 152,000 volumes; the Mercantile Library, established in 1821, with only 700 volumes, now numbers 140,000 of the best works in the English language; the Society Library, founded in 1700, when Lord Bellemont was Governor of the province of New York, is one of the oldest, and contains about 60,000 volumes. Then comes the Apprentices', with 45,000; the Brooklyn Mercantile, with 44,000; the Historical, with 30,000; the Long Island Historical, 20,000; the City, 10,000; the American Institute, 7,000; the Cooper Union, 6,000; and various smaller collections numbering in the aggregate about 80,000 volumes.

If you feel dull, despondent, drowsy, debilitated, have frequent headaches, mouth tastes badly, poor appetite and tongue coated, you are suffering from torpid liver, or "Biliousness." Nothing will cure you so speedily and permanently as Dr. Pierce's Golden Medical Discovery.

"Can't Do Without It."—This is what the stage and horse-car companies, livery-stable keepers, members of the turf, and all grooms and trainers say of the MUSTANG LINIMENT. They "can't do without it." And why? Because it infallibly reduces the external swellings, &c., which, under various names, impair the usefulness and value of the kind of quadrupeds, and also because, for sprains, strains, galls and other injuries to which horse flesh is liable, it is the most trustworthy preparation in the market. Yet these recommendations comprise only a portion of its claims to public confidence. During a period of more than sixteen years, it has been recognized as a specific for many of the most agonizing disorders which afflict the human family—such as rheumatism, gout, neuralgia, lumbago, tic-doloureux, sore throat, earache, tooth-ache; and, likewise, as a peerless application for cuts, bruises, burns and scalds.

Make money fast and honorably, \$12.50 per day, \$75 per week, by at once applying for a territorial right, (which are given free to agents,) to sell the best, strongest, most useful and rapid selling sewing machine, and patent button-hole worker, ever used or recommended by families, or buy one for your own use; it is only \$5. Sent free everywhere by express. Address, for particulars, Mr. A. Cateley, corner Greenwich and Court-streets, New York.

A Georgia negro was over-paid \$100 on a check by a bank, and he returned the money. The local paper says that it is another evidence that the race can never be civilized.

UNPARRALLELED SUCCESS. Within the past year, 200,000 boxes of Dr. Tull's Vegetable Liver Pills have been sold, and not a single instance is known where they have failed to give satisfaction. If you would enjoy life, have a fine appetite and robust health, use these Pills.

AUGUSTA, November, 1869. Dr. W. H. Tull: It affords me much pleasure to testify to the great value of your Liver Pills. They are all they are represented to be. In my opinion, there are no pills so well adapted to the Southern climate as they are. Yours truly, J. S. DRUMMET, Late of Richmond, Va.

A great achievement. Twenty years ago, to have said that such a Drug Establishment as HEINITSH'S, for the manufacture of Medicines for the South, would be a success, would have been regarded as chimerical. But such is the fact; success over attends well-appointed means, and upon this base we propose to go on, and offer to the afflicted the only remedy worth trying.

AT THE CAROLINA NATIONAL BANK

SEVEN PER CENT. COUPON BONDS

OF THE CITY OF COLUMBIA.

Secured by a Sinking Fund. Coupons secured by an Annual Tax and Receivable for City Taxes. Bonds non-taxable by the City. Bond Debt of the City Limited by Law to \$600,000. Taxable Property of the City \$7,000,000.

THE BONDS offered are authorized by an Act of Assembly approved March 13, 1872, for the construction of the new City Hall. Their final redemption is, by the terms of said Act, secured by a "sinking fund," to be accumulated from the annual rents of the building. These rents will reach from \$8,000 to \$10,000 per annum; and the Carolina National Bank holds a lien of the building for a term of twenty years, as a trustee, with power to collect the rents and hold the same invested as a fund for the redemption of the bonds.

By said Act a special annual tax is required to be levied to pay the semi-annual coupons, and the Carolina National Bank is made the trustee of the city to receive the taxes when collected and to pay the coupons. The coupons are also receivable for city taxes.

The taxable property of the city is at present assessed at \$7,000,000; and by said Act the bond debt of the city cannot be increased beyond \$600,000 whilst these bonds are outstanding. The bonds are exempt by law from city taxation.

These bonds are offered to the public at eighty net, with interest from date of purchase to January 1, 1873, allowed in settlement. After that date, the accrued interest to be added.

Citizens of Columbia these bonds will give an income of 12 1/2 per cent., as may be seen from the following statement:

Seven per cent. bonds, at 75, annual interest..... 9 1/2 per cent. Nineteen years to run, average increase per annum..... 1 1/2 per cent. City tax saved..... 2 per cent. Average annual income..... 12 1/2 Dec 11
